## Q48 - Can you guess the purpose of our experiment? (optional)

Can you guess the purpose of our experiment? (optional)

---

Peoples intelligence based on facial structure?

The affect suit and tie on the first impression of students of different gender, school year, personality, and grades

To study the correlation between a person's appearance feature (highly likely, wearing glasses) and its impression.

Fun?

Effect of looking(wearing glasses, hair style) on perception of grade

Psychology? Data Analysis?

See what effect appearance has on first impressions

Human first expression

印象调查

Facial personality AI

first impression based on appearance

Nope

How does one person's appearance and costumes affect people's assumptions on his/her performance

Can we correctly identify how smart someone is by their looks?

I have no idea...

appearance and personality/gpa/age

Can you guess the purpose of our experiment? (optional)

---

Do glasses affect ones perspective of another person?

How appearance affect impression

看面相？

第一印象和刻板印象的关系？实在不想写英文了不好意思

Is there any relation between the look and the personality and grade?

stereotype

launch a picture store

Facial expression

statistics

Will wearing glasses change a person's the first impression?

personal grade with different appearance

Something about appearance and personality

appearance

No

judge people with their apperance?

write a paper

知人知面不知心

no

Can you guess the purpose of our experiment? (optional)

---

no

? ? ?

stereotyped image

First impression in interviews maybe.

relationship between emotional and logical

Glasses?

Bias with profile photo reading

Test the stereotype

whether Asians are the smartest group of people in the world?

for fun

first appearance

Appearance affect our judgement or not

glasses

Judgement based on appearance
